UNIVERSITY

MESSAGE FROM THE PRESIDENT

It is with my deepest gratitude that I enclose your 2020 endowment report from Fundriver University. Some people make choices that change lives. Thank you for being one of them! Your donations will help change the lives of students, Fundriver University faculty and community members today, tomorrow and for years to come.

The possibilities are endless, and your help ensures we can forever build a better tomorrow through our programs. In the next decade, 6 million qualified students may not go to college because of the immense cost of higher education. Your gift ensures that students will be given an opportunity to make an impact on the world—and that countless young minds will be nurtured and prepared for the great things that lie ahead of them.

The Foundation's endowment fund provides a strong base for philanthropic outreach. Thanks to donors like you growing this base, the Foundation becomes capable of doing more; we strive to accomplish new heights of charity.

Thank you again for your generosity. As we strive for greater impact through research, education and service, I hope you take pride in knowing the transformative power of your commitment. If you have any questions about the attached report or your fund's performance, please don't hesitate to reach out to me at newton@fundriver.com.

Thank you for your continued commitment!

JOHN T. NEWTON, PHD

President

ENDOWMENT OVERVIEW

Fundraiser University's endowment is a dedicated and permanent source of funding that maintains the teaching and research mission of the University. Made up of more than 4,000 individual funds invested as a single entity, the endowment's returns have enabled financial aid programs, innovative research, and endowed professorships across the Universities 14 schools and colleges.

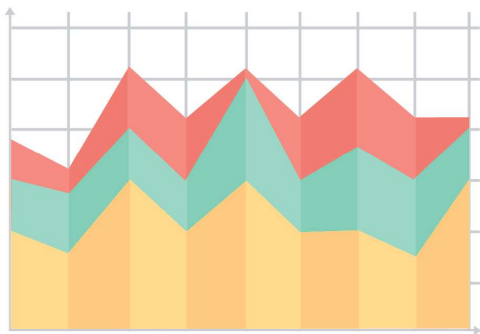

Each year, a portion of the endowment is paid out as an annual distribution to support the University's budget, while any appreciation in excess of this annual distribution is retained in the endowment so it can grow and support future generations. As a result, the endowment can provide the financial foundation for the University for generations to come. In fiscal year 2020, the endowment distributed over \$342 million to the University for research, scholarships and program support.

Distributions from the endowment provide a critical source of funding for the University. The overwhelming majority of the funds that make up our endowment are restricted gifts and must be spent in accordance with terms set forth by the donor. Payout from these funds can only be spent in support of the fund's designated purpose.

THANK YOU FOR SUPPORTING OUR INCREDIBLE GROWTH!

BUSINESS ENTREPRENEURSHIP
LOS ANGELES, CA

TELL A LITTLE ABOUT YOURSELF

I am someone who is really passionate about the starting my own business. That's why I plan on majoring in business with a minor in entrepreneurship. In my spare time, I like to SCUBA dive and hang out with friends.

WHAT IS YOUR GREATEST STRENGTH?

I would say my greatest strength is my ability to focus. When I am passionate about something, nothing can stop me from focusing and achieving my goal. I put in time and energy to make sure things are done, and done right.

WHY DO YOU DESERVE THIS SCHOLARSHIP?

I watched my father start his own businesses, and he failed both times he tried. He passed away before he could achieve his dream, and I want to succeed so that he knows he inspired me. I'd like to inspire future generations as well.

WHAT ARE YOUR CAREER GOALS?

I hope to open a business that assists underprivileged teens achieve their college and career goals.

WHO IS YOUR ROLE MODEL?

My role model is my father. He never gave up and worked two jobs, while at the same time trying to start his own businesses. Although his businesses never gained traction, I gained a lot of inspiration from watching his work ethic.

SMITH ENDOWMENT FOR BUSINESS

I am honored to be one of the recipients of the Smith Endowed Scholarship. Thanks to your generous support I am the first in my family to attend college.

Growing up in a less privileged community has not only offered financial and academic challenges but has also helped me realize the value of a college education.

I have just begun my undergraduate career as a freshman at Fundriver University and can already report that my academics are off to a first-rate start. My plans at this stage are to complete a major in Finance with a minor in Accounting. Fundriver University offers one of the finest programs in the country and I consider myself fortunate to be able to attend.

Working as a volunteer in my community throughout my high school career, I enjoyed helping people learn about community services available to them. I hope to

be able to serve in a political position sometime in the future, where I might have even more of an ability to help less fortunate and under-represented social groups. My educational pursuits would not be possible without generous support from scholarship sponsors like your organization. Thank you for enabling this opportunity!
